

## **Supplementary Figure 4**

Maximum depth (colored numbers), in meters, and time at which spike dives were performed by the 6 oceanic whitetip sharks (*Carcharhinus longimanus*) tagged in the Atlantic and Indian oceans between 2011 and 2012. Light shaded areas represent crepuscular periods, dark shaded areas represent night, and the white area represents day. The different colors represent the shark identity code (AOCS3, AOCS4, AOCS5, AOCS6, AOCS7, and IOCS1).
