The printing of this publication has been approved by the Director of the Bureau of the Budget, November 5, 1952.

## CONTENTS

COVER: Boxes of domestic and Canadian iced fresh-water fish stacked up in the shipping room of a wholesale fish firm located in the Fulton Market area of Chicago. In 1954 Chicago wholesale fish dealers received 117 million pounds of fresh and frozen fish and shellfish, consisting of 54 million pounds of fresh-water fish, 35 million pounds of salt-water fish, and 28 million pounds of shellfish, etc.
