

LIST OF ILLUSTRATIONS.

		Facing page.
Plate	1. Sardine Boats sailing to the Fishing-grounds. A Sardine Fisherman's House.....	1
	2. Fleet of Sardine Boats Fishing off Concarneau. Sardine Boat Fishing.....	4
	3. Sardine Boats at the Wharf discharging their Catch.....	6
	4. A Part of the Sardine Fleet at the Dock in Concarneau.....	10
	5. Sardine Boats on the Shore, Concarneau. A Glimpse of the Water Front, Concarneau.....	16
	6. Yard of a Cannery; Women Cutters awaiting the arrival of Sardines. Frying Sardines in Oil.....	20
	7. The Drying Yard of a Cannery. Women with Sardines on Grills.....	22
	8. Yard of a Large Cannery, showing Sardines drying on Grills.....	26
	9. A New Isopod Parasitic on the Hermit Crab. (Figs. 1-8).....	56
	10. A New Isopod Parasitic on the Hermit Crab. (Figs. 1-10).....	56
	11. (1) View in East Harbor Swamp. (2) Sand Beach Vegetation. (3) Lichen-grown Rocks near Gibraltar Island. (4) Rocky Shore of South Bass Island. (5) Shore of Squaw Harbor, showing Nuphar in the Foreground. (6) Sandy Beach at Cedar Point, Ohio.....	57
	12. (1) Waves washing the Shore. (2) Nelumbium luteum, a few acres growing at East Harbor, Ohio.....	66
	13. (1) Bidens beckii, cross section of a portion of a stem. (2) Potamogeton lonchites, cross section of a portion of the stem. (3) Potamogeton zosteræfolius, cross section of central cylinder. (4) Potamogeton zosteræfolius, cross section of a stem. (5) Ceratophyllum demersum, cross section of the central cylinder. (6) Ceratophyllum demersum, cross section of a stem.....	72
	14. (1) Sparganium eurycarpum. (2) Scirpus lacustris. (3) Potamogeton heterophyllum. (4) Juncus torreyi.....	80
	15. (1) Sagittaria rigida. (2) Winter Buds, etc.....	80
	16. (1) Scirpus pungens. (2) Chara fragilis forma brevibracteata.....	80
	17. (1) Chara contraria forma subinermis. (2) Chara contraria. (3) Chara hydrophytes. (4) Typha latifolia. (5) Nuphar advena.....	80
	18. (1) Nitella subglomerata. (2) Naias flexilis. (3) Nitella subglomerata.....	80
	19. (1) Chara gymnopus michauxii. (2) Nitella polyglochis.....	80
	20. Chara coronata.....	80
	21. Biliary Calculi from Squeteague.....	131
	22. Cakes of dried "Sinarapan" (Mistichthys luzonensis).....	167
Plate	I. Humpback Salmon ascending Low Falls.....	175
	II. Native Village and Ukala Racks, Naknek River.....	176
	III. Native Barabara and Storehouse near Naknek River. Bidarka and Kayak on Beach, Ugashik River. Ukala Racks, Naknek River.....	178
	IV. Salmon Trap, Nushagak River.....	182
	V. Salmon Trap on Nushagak Bay.....	182
	VI. Salmon Trap on Nushagak Bay.....	182
	VII. Salmon Trap near Graveyard Point, Kvichak Bay.....	182
	VIII. Salmon Trap, Ugashik River.....	182
	IX. Native Method of setting Gill Nets, Nushagak Bay.....	182
	X. Chart of Nushagak Bay.....	196
	XI. Running Sketch of Wood River and Lake.....	200
	XII. Cannery of Arctic Packing Company, Nushagak Bay.....	202
	XIII. Cannery of Bristol Bay Canning Company, Nushagak Bay.....	202
	XIV. Cannery of Pacific Steam Whaling Company, Nushagak Bay.....	202
	XV. Salting Station of C. E. Whitney & Co., Nushagak Bay. Arctic Packing Company, Naknek River.....	202
	XVI. Salting Station of C. E. Whitney & Co. Loading barkentine Willie R. Hume, Nushagak Bay.....	206
	XVII. Canning Plant of Point Roberts Packing Company, Kvichak Bay.....	208
	XVIII. Canning Plant of Arctic Packing Company, Naknek River. Canning Plant of Point Roberts Packing Company, Kvichak Bay.....	214
	XIX. Chignik Lagoon.....	218
	XX. Head of North Olga Stream, Alitak, Kadiak Island. Zapor in Stream entering Litnik Bay, Afognak Island.....	230
	XXI. Chart of Afognak Bay, Alaska.....	240
	XXII. Cascades in Litnik Stream.....	244
	XXIII. Chilkoot Stream, showing Native Fishing Platforms in Current.....	252
	XXIV. Chilkoot Stream showing Native Fish Runs and Traps in Current.....	258

	Facing page.
Plate XXV. Native Village near Cannery of Icy Strait Packing Company	262
XXVI. Salmon Bay Stream, Prince of Wales Island. Tebenkof Stream	268
XXVII. Kutlakoo Stream, Kuiu Island	274
XXVIII. Behm Canal, Naha Stream, and Lake System	292
XXIX. Lake and Stream at the Head of McHenry Inlet	304
XXX. Mouth of Kariuk River. Callbreath's Hatchery, Etolin Island	330
XXXI. Sketch Plan of Salmon Hatching Plant, Shasta Creek, Kadiak Island	332
XXXII. Kariuk Hatchery, showing Corrals. Ripening Pond	336
XXXIII. Transferring Stock-fish to Corrals at Kariuk Hatchery. Method of drawing off Fry from Nursery Ponds	340
XXXIV. Sketch Plan of Red Salmon Hatchery at Shasta Creek, Kadiak Island	348
XXXV. Cheniga Stream, Prince William Sound	352
XXXVI. Sketch of Tamgas Lake and Stream System	358
XXXVII. Sketch of George Inlet, Lakes, and Stream, Revillagigedo Island	360
XXXVIII. Kah-Shakes Lagoon, Revillagigedo Channel. Checats Stream, Behm Canal	362
XXXIX. Cannery of Alaska Packers' Association, Point Highfield. Kunk Lake, Southeast Alaska	364
XL. Racks used to Barricade Kushneahin Stream. Cannery of Alaska Packers' Association at Loring	366
XLI. Sketch of Kushneahin Lake and Stream	368
XLII. Sketch of Sitkoh Bay, Stream, and Lake	378
XLIII. Sketch of the Alek River Delta	382
XLIV. Hubbard Glacier, Yakutat Bay and Vicinity. Fourth Lake, Jackpot System, Prince William Sound	392
Plate A. Alitak Bay, Snug Harbor, and Lazy Bay	224

TEXT CUTS.

	Page.		Page.
The Sardine or Pilchard (<i>Clupea pilchardus</i>)	2	Lobster Eggs	102

Washing Sardines on the Beach	12	<i>Mistichthys luzonensis</i>	168
A Sardine Fisherman bringing Fish ashore in Baskets	13	<i>Gobius sternbergi</i>	170
Beheading and Eviscerating Sardines	18	Columbia River Salmon Boats and Flat Bottom Salmon Skiff	181
<i>Psenes edwardsii</i>	35	Eskimo Women cleaning Salmon	186
Embryological figures	40	Fish Trap in Wood River	200
Embryological figures	41	Mouth of Naknek River, Bristol Bay	209
Embryological figures	42	Entrance to Egegak River, Bristol Bay	213
Embryological figures	43	Lower Ugashik River, Bristol Bay	215
Embryological figures	44	Olga Bay and Narrows	222
Figures of the Young Squeteague	48	Cape Alitak	223
Figures of the Young Squeteague	49	Floating Trap on North Shore of Cannery Cove, Olga Bay	225
Figures of the Young Squeteague	50	Olga Bay and Vicinity	227
Soil-sampler	58	North Olga Stream and Lake	228
The Grapple	58	South Olga Stream and Lakes	230
<i>Potamogeton lonchites</i> (2 figures)	69	Horse Marine Lagoon	232
<i>Potamogeton lonchites</i>	70	Exits of Ayakulik River	234
<i>Bidens beckii</i> (2 figures)	71	Hog Island	242
<i>Naias flexilis</i> (2 figures)	72	Cannery Building near Dot Island	242
<i>Leptocephalus grassii</i>	84	Chilkoot Lake and Stream	257
<i>diptychus</i>	85	Cascade Stream east side of Wrangell Narrows	265
<i>rex</i>	86	Stream and Leads, Salmon Bay, Prince of Wales Island	266
<i>amphioxus</i>	87	Lake and Stream at Head of Red Bay	268
<i>caudomaculatus</i>	87	Lake and Stream, Shipley Bay	270
<i>latus</i>	88	Humpback Stream, Shipley Bay	271
<i>gillii</i>	88	Kutlakoo Lake and Stream, Kuiu Island	273
<i>strommani</i>	89	East and West Streams, North Bay of Pillars	275
<i>morrisii</i>	90	Aleck Lake and Stream, Tebenkof Bay	278
<i>mucronatus</i>	91	Salmon Trap on Zimovia Strait	281
<i>discus</i>	91	Thoms Stream and Lake, Wrangell Island	282
<i>humilis</i>	92	Meyers Stream, Cleveland Peninsula	284
<i>gilberti</i>	92	Lake and Stream, Kina Bay, Prince of Wales Island	287
<i>Eulophias tanneri</i>	93	Lake and Stream, Ward Cove, Revillagigedo Island	289
<i>Conorhynchus nelsoni</i>	140	Ruins of Troughs and Baskets, Callbreath's Hatchery	302
<i>Notropis santamariae</i>	147	Trap, Pen, and Barrier, Callbreath's Hatchery	303
<i>lermae</i>	147	Perspective Sketch of Richardson Filter	337
<i>Aplodinotus grunniens</i>	154	Plan of Richardson Filter Troughs	338
<i>Petenia splendida</i>	155	Pacific Steam Whaling Company's Hatchery, Hetta Lake	354
<i>Cichlasoma taape</i>	156		
<i>Heros urophthalmus</i>	158		
<i>Batrachoides goldmani</i>	159		

LIST OF ILLUSTRATIONS.

VII

	Page.		Page.
Sketch of Hetta Hatchery, Prince of Wales Island....	355	Peridinium digitale.....	430
Hetta Lake and Stream.....	356	divergens.....	430
Peter Johnson Stream and Lake.....	357	Ceratium tripos.....	431
Kah-Shakes Lake and Stream.....	362	fusus.....	432
Checats Lake and Stream.....	363	Amphidinium operculatum.....	432
Kunk Lake and Stream.....	366	Lacrymaria lagenula.....	434
Salmon Bay, Lake, and Stream.....	367	coronata.....	434
Sar-Kar Lake and Stream.....	370	Trachelocerca phœnicopterus.....	435
Kook Lake and Stream.....	372	Mesodinium cinctum.....	436
Stream, Lake, and Feeder, Pablof Harbor..	373	Loxophyllum setigerum, var. armatum.....	437
Bartlett Bay, Lake, and Stream.....	375	Lionotus fasciola.....	439
Dundas Bay, Cannery, and Stream.....	377	Nassula microstoma.....	440
Hanus Bay, Lake, and Stream.....	378	Chilodon cucullulus.....	441
Gut Bay, Lake, and Stream.....	380	Dysteria lanceolata.....	441
Rubber Boot and Cheniga Lakes.....	392	Frontonia leucas.....	442
Jackpot Lake and Stream System.....	394	Colpidium colpoda.....	442
Miners Stream and Lakes.....	395	Uronema marina.....	442
Billy's Hole and Outlet.....	396	Pleuronema chrysalis.....	444
Dichelaspis mulleri (2 figures).....	401	setigera.....	445
(4 figures).....	404	Lembus infusionum.....	446
(2 figures).....	405	pusillus.....	447
(2 figures).....	407	Anoplophrya branchiarum.....	447
(1 figure).....	409	Condylostoma patens.....	449
(2 figures).....	410	Strombidium caudatum.....	450
(1 figure).....	411	Tintinnopsis beroldea.....	451
Amœba guttula.....	417	dauidoffi.....	451
sp.....	417	Peritromus emmæ.....	452
Trichosphærium sieboldi.....	417	Epiclintes radiosa.....	453
Gromia lagenoides.....	418	Amphisia kessleri.....	454
Actinophrys sol.....	419	Euplotes charon.....	455
Heterophrys myriapoda.....	420	harpa.....	456
Mastigamœba simplex.....	423	Diophrys appendiculatus.....	456
Codonœca gracilis.....	423	Uronychia setigera.....	457
Monas sp.....	424	Aspidisca hexeris.....	458
Monosiga ovata.....	424	polystyla.....	459
fusiformis.....	424	Lichnophora macfarlandi.....	459
Condonosiga botrytis.....	424	Vorticella patellina.....	460
Bodo globosus.....	425	marina.....	460
caudatus.....	425	Zoothamnium elegans.....	460
Oxyrrhis marina.....	425	Cothurnia crystallina.....	461
Astasia contorta.....	426	imberbis.....	462
Anisonema vitrea.....	426	nodosa.....	462
Exuviaella lima.....	428	Podophrya gracilis.....	464
marina.....	428	Ephelota coronata.....	464
Gymnodinium gracile, var. spherica.....	429	Acineta divisa.....	465
Glenodinium compressa.....	429	tuberosa.....	465
		Trichophrya salparum.....	466
