

COMMERCIAL FISHERIES REVIEW

A review of developments and news of the fishery industries
prepared in the BRANCH OF COMMERCIAL FISHERIES

A. W. Anderson, Editor
J. Pileggi and J. J. O'Brien, Assistant Editors

F. F. Johnson, Associate Editor

Mailed free to members of the fishery and allied industries. Address correspondence and requests to the: Director, Fish and Wildlife Service, U. S. Department of the Interior, Washington 25, D. C.

Publication of material from sources outside the Service is not an endorsement. The Service is not responsible for the accuracy of facts, views, or opinions contained in material from outside sources.

Although the contents of this publication have not been copyrighted and may be reprinted freely, reference to the source will be appreciated.

The printing of this publication has been approved by the Director of the Bureau of the Budget, November 5, 1952.

CONTENTS

Cover: Trays of cooked fish sticks in a Gloucester (Mass.) plant ready for the packing table. Frozen precooked fish sticks are sweeping the country. It is a new trend in the merchandising of fishery products. (See p. 29.)

Relative Productivity and Value of the Fisheries of the United States and Alaska, 1951, By Bob Finley	Page 1
