The printing of this publication has been approved by the Director of the Bureau of the Budget, August 2, 1955. (8/31/57)

CONTENTS

COVER: Large bluefin tuna being landed onto the deck of a French Moroccan trap boat. Large floating fish traps or pound nets used to catch tuna often stretch some distance off shore. From the size of the bluefin tuna in the photograph, the schools probably resemble those taken by the fish traps located near Provincetown, Mass.
