COVER: This scene was made during the annual Biloxi Shrimp Festival which features the Blessing of the Fishing Fleet, a symbolic and religious ritual inherited with other European customs. The 1956 event will be staged on Saturday and Sunday, July 28-29, 1956. Biloxi is one of the important shippers of shrimp and oysters in the United States. Hundreds of boats and several thousand workers are employed in the picturesque shrimp and oyster industries at Biloxi, Miss., on the Gulf of Mexico.
