CONTENTS

COVER: A long-line catch of 18 swordfish on 420 hooks was the result of one night's (June 8) fishing by the U. S. Bureau of Commercial Fisheries exploratory fishing vessel Delaware at the edge of the Continental Shelf south of Cape Cod. The fish were caught during North Atlantic tuna explorations (April 22-June 10, 1963). (Pp. 36-40 of this issue.)
