Errata

Dunn, J. R. 1996. Charles Henry Gilbert (1859–1928), naturalist-in-charge: the 1906 North Pacific expedition of the steamer *Albatross*. *Marine Fisheries Review* 58(1–2):17–28.

In footnote 8, page 18, the biographical data of Hubert Lyman Clark (1870–1948) was erroneously attributed to Austin Hobart Clark. Correct information on A. H. Clark may be found in Cattell and Cattell (1938). Additionally, the reference in the footnote to Palmer (1948) is in error.

I thank Dr. Gordon Hendler, Natural History Museum of Los Angeles County, Los Angeles, for bringing these errors to my attention. *J. R. Dunn*
